

SAFETY DATA SHEET - PRO Series PETG

Section 1: Identification of the substance and Preparation

Section 1. Identification

Product Name: PRO Series Carbon Fiber Nylon

Synonyms: None

CAS Number: None

Product Use: A polymer filament that can be used in 3D printer applications.

Manufacturer: MatterHackers, Inc.

Address: 27156 Burbank Foothill Ranch, CA 92610

Email: support@matterhackers.com

Section 2. Hazards Identification

Classification of the product: No need for classification according to GHS criteria for this product.

Label elements: The product does not require a hazard warning label in accordance with GHS criteria.

Section 3. Composition / information on ingredients

This product contains a proprietary blend of components encapsulated within a polymer matrix.

These components are not regarded as hazardous under 2012 OSHA Hazard Communication Standard; 29 CFR Part 1910.1200.

Section 4. First Aid Measures

Inhalation: Move to fresh air. Get immediate medical attention.

Skin contact: No adverse effects are expected from accidental skin contact. If persistent skin irritation occurs, call a physician. If skin contact with hot polymer occurs, cool the skin rapidly with cold water. Do not attempt to remove hot polymer from the skin

as the skin maybe easily damaged. Get medical attention if significant burns occur.

Eye contact: Rinse immediately with plenty of water for at least 15 minutes, including under the eye lids. Get immediate medication attention.

Ingestion: Drink water as a precaution. Do not induce vomiting without medical advice. Get immediate medical attention.

Section 5. Fire Fighting Measures

Suitable extinguishing media: Water spray, foam, carbon dioxide (CO₂), dry powder.

Fire fighting procedures: Firefighters must wear NIOSH-approved positive pressure self-contained breathing apparatus with full-face mask and full protective clothing.

Hazardous combustion products: Burning may produce carbon monoxide, carbon dioxide, hydrocarbons and other possible irritating or toxic substances.

Unusual fire and explosion hazards: This product does not have unusual fire and explosion hazards. However, dust and fumes generated from burning

of this product could present an explosion hazard.

Section 6. Accidental Release Measures

Personal precautions: Use personal protective equipment. Avoid contact with skin and eyes. Avoid dust formation. Remove sources of ignition. Sweep up to prevent slipping hazard.

Environmental precautions: Do not flush into surface or sanitary sewer systems. Do not allow material to contaminate ground water system.

Methods for cleaning up: Clean up promptly by scoop or vacuum. Sweep up and shovel in to suitable containers for disposal.

Section 7. Handling and Storage

SAFETY DATA SHEET

Carbon Fiber Nylon

Revision Date: 02/14/2018

Page 3 of 5

Handling: Avoid excessive heat and sources of ignition. Protect from moisture and sunlight. Avoid sources of static discharge. Avoid dust formation.

Storage: Store in a cool, dry, well ventilated storage area. Avoid excessive heat and sources of ignition. Protect from moisture and sunlight.

Section 8. Exposure Controls / Personal Protection

Exposure limits: None established.

Engineering Controls: Use local exhaust ventilation and good general extraction.

Respiratory protection: Not required under normal process conditions and with adequate ventilation. However, should conditions exist that require respiratory protection, a NIOSH / MSHA approved respirator should be worn.

Hand Protection: Wear adequate gloves during hot melt conditions or mechanical processing.

Eye protection: Safety glasses with side-shields or goggles.

Body protection: Impervious clothing.

Hygiene Measures: Good industrial hygiene practice should be observed by washing after use. Avoid contact with skin, eyes and clothing. Avoid inhalation of dust.

Wear appropriate protective clothing during melt conditions or processing

Section 9. Physical and Chemical Properties

Appearance: Solid filament at ambient temperature

Odor: No significant odor

Boiling point: Not measured

Melting point: Not measured

Decomposition temperature: Not measured

Vapor pressure: No data available

Vapor density: No data available

Solubility in water: Insoluble

Specific gravity: Not measured

pH: Not applicable

Section 10. Stability and Reactivity

Chemical stability: Stable

Conditions to avoid: Do not store near heat, flame nor strong oxidizing agents, acids or bases. Minimize dust generation and accumulation.

Hazardous decomposition products: Carbon monoxide, carbon dioxide, hydrocarbons and other possible toxic substances can be generated during thermal decomposition and combustion.

Hazardous polymerization: Does not occur.

Section 11. Toxicological Information

No data available.

Section 12. Ecological Information

Ecotoxicity: No information available.

Persistence and degradability: No information available.

Bioaccumulative potential: No information available.

Section 13. Disposal Considerations

Dispose of this product in accordance with local, state and federal regulations.

Section 14. Transport Information

U.S. Department of Transportation (DOT): This product is not regulated for transport.

Section 15. Regulatory Information

U.S. Toxic Substances Control Act (TSCA): All the component(s) comprising this product are either exempt or listed on the TSCA inventory.
